Little Falls Dam Hearing Announced

Greetings!

I was happy to join Congressman Sean Duffy on Monday to surprise Clare Weber at Hudson High School to present her with the Paul Bunyan award for her service to Hudson. Volunteers like Clare and others at Youth Action Hudson work every day to make their community a better place for everyone.

Congratulations, Clare!

Sincerely,

Dean

H.O.P.E. Legislation Saving Lives

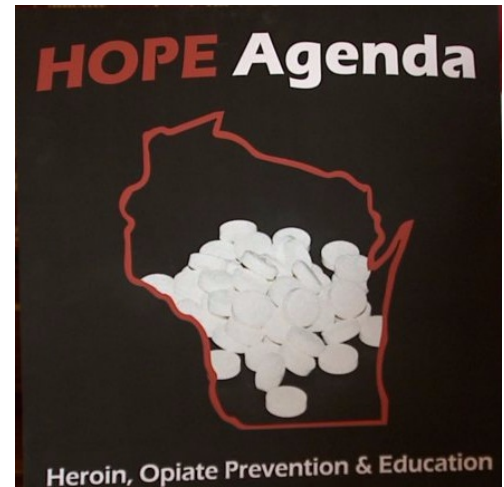

Days after receiving training on the use of Narcon, a drug used to counter the effects of heroin overdose, Green Bay Police Officer Mallory Mevis was able to save a man's life using Narcon treatment. You can read a full account of the story [here](#).

Our community's close proximity to the Twin Cities means that we've all experienced the pain heroin addiction and overdose inflicts on families and friends.

I'm proud to have voted for H.O.P.E. legislation last session.

From providing **additional funding for treatment facilities**,

to giving immunity to anyone who seeks medical help for a possible overdose, to **equipping first responders** with tools like Narcon to reverse an overdose, we are working hard to curb heroin addiction across the state.

While we've come a long way in the fight against heroin, there is still much to do. Last month, my colleague Rep. John Nygren introduced legislation that targets prescription drug abuse, which often leads to addiction to heroin. I look forward to continuing to support H.O.P.E. legislation to combat the heroin epidemic in Wisconsin.

New Blue Books Available

We still have plenty of 2015-16 Blue Books available and we're happy to provide them to you, free of charge. To have one mailed to you, contact my office with your name, address, and the number of Blue Books you would like. We look forward to hearing from you!

Reminder: Little Falls Dam Hearing

The Wisconsin Department of Natural Resources [removed the middle portion of the Little Falls Dam on Monday](#) to facilitate a more effective drawdown of the lake. Don't forget to hold **October 20th** for an informational hearing on the Little Falls Dam project.

Wisconsin DNR officials will be at the **Hudson Town Hall** at **6:00 PM** to provide an update on the project and field your questions. To find out more, visit the [project's website](#).
